

## SHAC Meeting minutes from February 12, 2025

### Present:

Beth Aycock  
Ashley Hinze, RN  
Lisa Nix  
Julia Serna

Rolando DeLuna  
Katie Mullins  
Michael Novotny  
Gary McHone

Meeting was called to order at 4:30PM

### Agenda:

1. Introductions
2. Campus Updates
  - Chief McHone discussed upcoming Stop the Bleed training that will be offered to students in 7<sup>th</sup>-12<sup>th</sup> grades on campus during health classes. The training is the result of a partnership between SISD and Scott and White.
3. Employee and student absence rates
  - Campus Administrators shared their observations regarding student and employee attendance rates during flu and virus season. The principals agree that absences are still higher than normal but appear to be rebounding slightly. The elementary school is including health and hygiene tips in their newsletter in order to encourage healthy practices and slow the spread of flu and colds.
4. Flu shot clinic
  - The committee discussed the possibility of holding a flu shot clinic for staff and/or students. Dr. Aycock agreed to reach out to local medical professionals to get their opinion on whether or not the timing was right for a clinic this year or if it would be better to wait for 2025-2026. She is also going to survey the staff regarding their interest in getting flu shots at school.
5. The next meeting is May 15, 2025. Potential topics were addressed including revisiting the results of the shot survey as well as discussing ongoing staff and student training. Members are encouraged to send suggested agenda items to [beth.aycock@saladoisd.org](mailto:beth.aycock@saladoisd.org) or [Julia.serna@saladoisd.org](mailto:Julia.serna@saladoisd.org).

Meeting adjourned at 4:49 pm
